

ONE STOP SHOP!

COMPANY HISTORY

« **36** years of experience
at your service ! »

► OUR ROOTS

In 1982, André Fournier founded his diesel mechanic service business. His goal: to provide the widest range of products and services to diesel engines users. Today, ADF Diesel has 9 branches across Canada, employs close to 285 experts in the diesel mechanics industry and has an inventory that challenges all competition.

1982

ST-STANISLAS
